

26th Austrian Young Physicists' Tournament

Der Wettbewerb für
junge Physiker*innen

Solve one out of 17 physics
problems.

Send us your **solution** and/or
present it live at the AYPT!

Qualify for a spot in the
international tournament in
Hungary in 2024!

You can expect
problems such
as:

“A rubber band may
fly a longer distance
if it is non-uniformly
stretched when shot,
giving it spin. Optimise
the distance that a
rubber band with spin
can reach.”

AYPT: Participate in a
group of 3 students
from 4th – 6th April 2024
at the Montanuniversität
Leoben
